**TRUTH WILL PREVAIL**

"The Satan sits at the door, some  
will be cured."

We are happy to inform the citizens of  
Cairo and vicinity that Dr. Butler, late of New York,  
is permanently located in this city, for the  
purpose of practicing medicine in all its  
varieties, and especially in diseases of the  
skin, which he cures in a day or night. The Doctor  
has practiced medicine during a period of twenty years,  
during which time he has had a large share  
of the practice of his profession, and has  
furnished all his medicines in his office. He  
has been very successful in the treatment of all  
chronic diseases, having made many cures  
that were considered to be cases of that character,  
and has scarcely ever turned one away uncured. After taking their cases in charge,  
he prescribes a few simple remedies, and  
will not matter what he tells you may rely on.  
Old cases of twenty years standing are  
cured by him. All old sores, itches, and what  
not, are cured in a few days, and in a short time.  
Plaster and ointments cured without  
the use of the knife. Tape-worms expelled by  
the use of a few drops of oil, and diseases, which  
all forms of remedies and diets, could  
not cure in the shortest time.  
Also known to him the Indian oil, discovered  
by the Indians, and used in their native lands. For  
sale at my office, or sent by express to any part of  
the country.

The oil cures eczema in five minutes,  
hives in three minutes, carbuncles in ten  
minutes, rheumatism in five minutes; rheumatism  
in one hour; fits in children and adults in a short  
time, and all diseases, which are cured by  
this oil in the shortest time. Every  
bottle is labelled with full directions for using it.  
If it fails to do what it claims for, it is bad  
and will not cost you money. Price six cents and 15 per  
bottle.

Office, corner of Eighth street and Olive Street,  
opposite the Taber Brothers.

I am a graduate of the Homoeopathic School of  
Cleveland, Ohio—having graduated in the year  
1851. I also graduated the Eclectic School of  
Cincinnati, in the year 1853.

## HAIR RESTORATIVES.

### NEW DISCOVERY!!

## PHALON'S

## "VITALIA;"

### Salvation for the Hair.

For Restoring to Gray Hair its  
Original Color.

PHALON's "VITALIA" differs  
utterly from all the "dyes,"  
"colorers," and "restorers"  
(?) in use. It acts on a  
totally different principle. It  
is limp, fragrant, and perfectly  
innocuous, precipitates no muddy or flaccid matter,  
requires no shaking up, and  
communicates no stain to the  
skin or the hair. No  
paper curtain is necessary to  
conceal its turbid appearance,  
for the simple reason that it is  
not turbid. It is, to all intents  
and purposes, a NEW DISCOVERY  
in Toilet Chemistry.

PHALON's "VITALIA" is  
warranted to effect a change  
in the color of the hair within  
10 days after the first application,  
the direction being  
carefully observed.

IT IS AS CLEAR AS WATER!  
AND HAS NO SEDIMENT.

Price, One Dollar per Box,  
CONTAINING TWO BOTTLES.

SOLD BY ALL DRUGGISTS.

If your Druggist has not  
"Vitalia" on hand write,  
enclosing \$1.00, and we will  
forward it immediately.
